

Please remember to change your address with Resort Management Group Inc. when you leave to head back up north and when you return to Windjammer Village.

If you do not change your address, all your Windjammer mailings will go to where Resort Management list as your current address. This will delay receiving important Windjammer Village information such as ballots for voting, notifications of possible violations which contain time constraints, etc.

How to Change Your Mailing Address!

[Address changes must be done in writing.](#)
